

The Purplepost

12TH - 26TH SEPTEMBER 2022

Welcome back to Campus.

Aren't we glad that the Elections and COVID-19 are all behind us? It is therefore All Systems Go!

I wish everyone a fabulous semester ahead and remember, while skills and knowledge are important, it is the softer skills like passion, confidence, attitude, self-drive, and excellence that make the true difference between mediocre lives and truly productive and fulfilling ones. Pay close attention to them daily as you interact with yourself and others, and build incredible stories, daily!
