Founders' Message

Celebrating the Extraordinary Journey of The Mavericks

Congratulations RU Class of 2023 on reaching this significant milestone in your academic journey. As we gather here today to celebrate your commencement, we are reminded of the extraordinary circumstances under which you embarked on this educational endeavour.

The theme of this commencement ceremony, **"Dreams Take Flight,"** resonates deeply with your journey as a cohort. Many of you joined Riara University during the challenging times of the COVID-19 pandemic, taking a leap of faith and embracing the unknown. It is a testament to your resilience and determination that you pursued your dreams despite the uncertainties that surrounded you. As true digital natives, you adapted to online learning and emerged as pioneers in navigating the digital landscape of education.

You therefore aptly chose to name yourselves **"The Mavericks"** to honor your spirit of independence, innovation, and willingness to take risks.

Reflecting on this momentous occasion, we are reminded of our own journey in founding Riara Group of Schools 50 years ago and later Riara University. Our dreams of providing quality education and transforming lives have become a reality, thanks to the dedication and hard work of our students, parents, staff, and partners. As Founders, we understand the power of dreams and the transformative impact they can have. We encourage each of you to reflect on your own dreams and aspirations, and to pursue them with unwavering determination.

Dreams are not merely illusions; they are the guiding force that propels us towards greatness.

Dreams are not merely illusions; they are the guiding force that propels us towards greatness. We urge you to be clear about your dreams, for they will shape the path you choose to take in life. Embrace the challenges that come your way, for it is through perseverance and resilience that dreams are achieved. Be willing to pay the price for your dreams, knowing that the journey may not always be smooth, but the rewards will be worth it.

Today, as we uncover your dreams and celebrate your accomplishments, we stand here testament to what is possible when dreams are pursued with passion and purpose. We have full confidence that each and every one of you, The Mavericks, will soar to new heights and make a lasting impact in your chosen fields.

Once again, congratulations Class of 2023 on your commencement. May this be just the beginning of a remarkable journey filled with endless possibilities. Remember, the power to transform the world lies within you. Dream big, take risks, and embrace the extraordinary.

We are both truly and deeply proud of each and every one of you!

Congratulations and may God richly bless you and your dear families!

Chancellor's Message

Live for a Purpose that is Greater Than Yourself

It is a great honor to preside over your Commencement Ceremony dear Mavericks! My heartfelt Congratulations to you, your dear parents, guardians, faculty, staff, and all who have supported you in this journey.

As you joined University during COVID-19, no one knew your dreams had any chance but against all odds, we are gathered here today to celebrate the great strides that you have made. I have no doubt that you have been equipped with both the technical skills required in your discipline, and the much-needed soft skills that employers are looking for. I challenge you to use the critical thinking, and other skills gained at RU, to create solutions to the most pressing needs of our generation.

Currently, the job market is extremely saturated. I therefore challenge you to develop an entrepreneurial mindset and utilise your innovativeness, to explore other areas, especially starting a business to create employment for yourself and others. This is

*what I expect of a Riara graduate. An entrepreneurial mindset allows you to take risks such as nurturing a business, but the rewards are astounding. Be ready to fail, but learn from the failures without giving up. With a bankable business idea, it will be easy to access capital. My counsel therefore is, shift your perspective from **employment**, towards **business ownership** and you will be amazed at the opportunities available for remarkable success.*

Your time at Riara University has been a solid foundation for great stories that I know you will create out there as a true ambassador of this great institution. However, be crystal clear on the **why** of your ambitions. Never forget the values that you have acquired at RU and let them underpin all your decisions through life. Remember, seeds cannot grow and flourish without the right environment and care, so tend to your values and dreams with utmost care and intentionality. Live purposefully, devotedly and ethically.

Above all, **live for a purpose that is greater than yourself**. Go empower others, create a better world, and create long-lasting impact with your life! And when you have achieved success, remember to come back to impact and inspire those behind you.

You are **The Mavericks!** You embody independence, innovation, and the willingness to take risks. You challenge the conventional norms, and nothing can stop you. Your graduation is the uncovering for your dreams to take flight. *Dare to dream; dare to believe!*

Congratulations Class of 2023, and best of success on your new beginnings!

Chair, University Council's Message

Work Towards Becoming the Master of Your Discipline

Congratulations Class of 2023 on behalf of the University Council and my own behalf.

We are truly proud of you as we celebrate your years of hard work and determination, and the support of parents, faculty, staff, friends, and each other. You have braved COVID-19 and all other odds to achieve this success.

However, remember that Graduation is not the destination for your dreams. It is the end of one chapter among many that you will pursue in life. The corporate world is increasingly focusing on what *you can do* and *who you are* as a person. Take your time to answer these questions and be crystal clear on what distinguishes you from the thousands of graduates in the labor market.

Necessarily, be clear on the *value* that you will add to any organization or society. My advice to you is, work towards becoming the master of your discipline. As Robert Greene stated, ***"Mastery is not a function of genius or talent, it is a function of time, and intense focus applied to a particular field of knowledge"***. Aim to positively impact your community and those around you rather than merely earning money. Above all, keep chasing dreams that impact society.

Finally, I urge you to embrace lifelong learning, the self-initiated pursuit of knowledge and education focusing on personal and professional development. Lifelong learning polishes your competitiveness, enhances your employability and crafts you into an exceptional entrepreneur whether at the workplace or in business. You can never have enough of the right knowledge as long as you ACT on it. Always consult your dreams, stay curious, and ACTION your dreams, daily! Without action, dreams remain a pipe dream!

I wish you every success! Congratulations **Mavericks!**

Vice Chancellor's Message

The Future, Whatever You Conceive It to Be, is Yours for The Making!

It gives me immense pleasure to celebrate the 7th Commencement Ceremony with you dear Mavericks!

Today, we release you as world changers and our finest Mavericks. From the outset, you have been steadfast in your quest for transformation and empowerment through hard work, determination, endurance, and the support of your family, RU, and friends.

As you advance, remember to fuel your **GRIT** daily by igniting your **Guts**, **Resilience**, **Initiative**, and **Tenacity**. GRIT provides focus and the mental agility to persist in spite of difficulties.

Wherever you go, be the critical thinker, innovator, problem solver, and the change-maker the world is looking for.

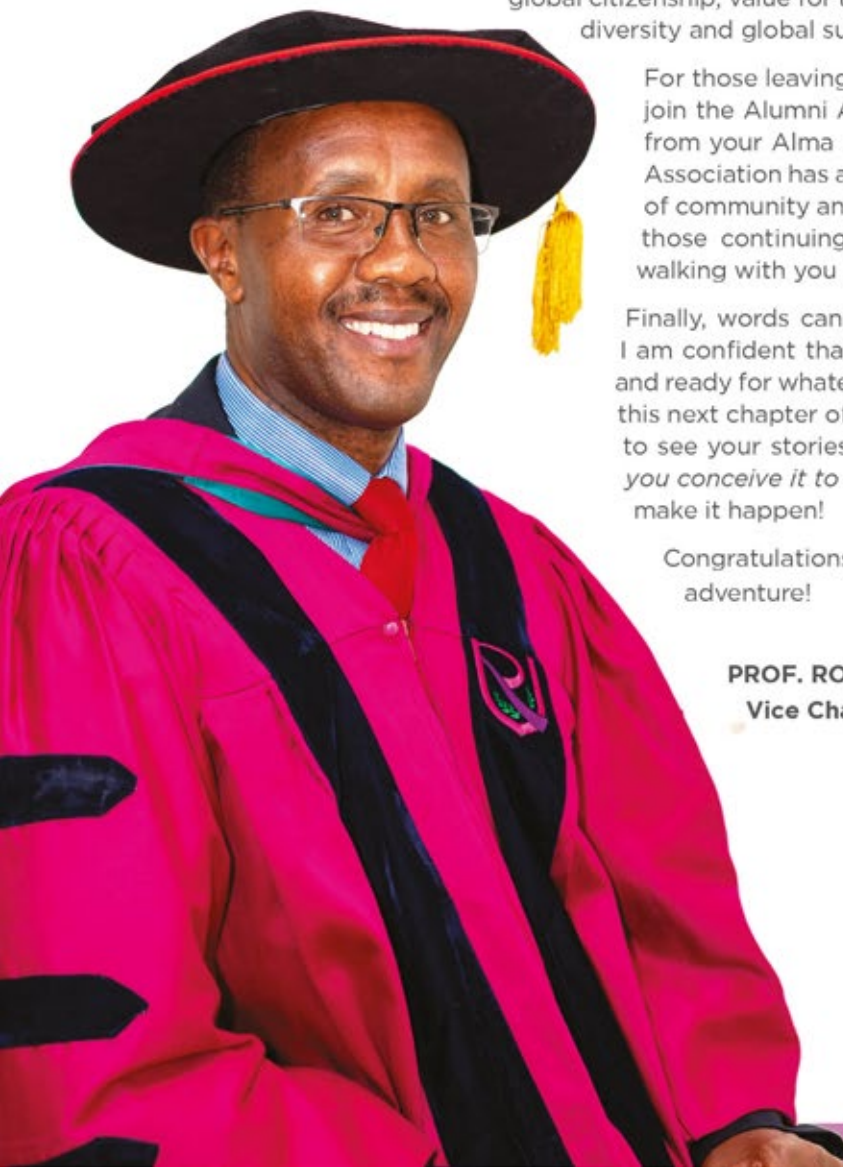

You must therefore continually cultivate your 21st Century Skills among them, Critical Thinking, Collaboration, agile Communications, and Creativity. You must also continue to hone your soft skills such as integrity, flexibility, leadership (starting with self-leadership), global citizenship, value for time, interpersonal skills, and a respect for diversity and global sustainability.

For those leaving RU, we will surely miss you. I urge you to join the Alumni Association to access continuous support from your Alma Mater and to inspire others still here. The Association has an extensive network that provides a sense of community and belonging throughout your lifetime. For those continuing at RU, we look forward to continually walking with you to the end.

Finally, words cannot express my joy to see you graduate. I am confident that you are well-seasoned, strong, resilient, and ready for whatever may come your way. For the first time, this next chapter of your story is **YOURS** to tell. I cannot wait to see your stories of impact unfold. *The future, whatever you conceive it to be, is yours for the making!* Dream it, and make it happen!

Congratulations dear Friends! Here's to your next adventure!

Alumni Association Chair's Message

Celebrating Achievements and Embracing the Riara Legacy

The beauty about today, beyond your glittering crowns is the dreams and aspirations that Riara University has incubated and made a reality. I am therefore so glad that the Riara story keeps getting manifested every year and you have an opportunity to go to the world and be the positive difference society is craving for.

I take this momentous opportunity to welcome you to our vibrant Riara University Alumni Association. We believe that a little bit more of "we" and a little bit less of "I" is all we need to make this world a better place.

The future is always uncertain and as alumni of this great institution, we strive to grow together and to support one another even after campus. Further, we who celebrate what you have done, who celebrate all of your achievements, we are certain of one thing on this day; that you will not let us down.

Riara will forever remain to be the wind underneath our wings. We are forever going to be proud to be associated with you and with our Alma Mater, RU. Go therefore into the world and do great transformative things, but most importantly go into the world and be great through impact and service!

I cannot wait to usher you into the Alumni Association and to partner with you as we build each other, remaining faithful to the Riara story.

Felicitations Friends!

You did it!

COLLINS OLUOCH
Chairperson, Riara University Alumni Association
(RUAA)

I AM RU,
YOU ARE RU,
WE ARE RU,
RU FOREVER!

Our Track Record

Riara University was founded by Educationists, Mr. Daniel & Prof. Eddah Gachukia, with over 40 years of Excellence in Education and whose core business is EDUCATION, through the Riara Group of Schools. A 2009 Report of the Directorate of Quality Assurance of the Ministry of Education states that: "...the Riara Schools should be made a model for other private school developers." Prof. Eddah Gachukia has played a major role in Government on Education, assisted in management of public and private universities at Council levels and other governance levels. The Guiding Mantra of the Founders has been: Quality Education is the Solid Bedrock for National Development
